FRANCE AIRS HER VIEWS ON ITALY TREATY

American and British Opposed to Collection Of Reparations

(By Associated Press)
LONDON, Sept. 12.—France presented to the conference of foreign ministers today her views on a proposed peace treaty for Italy, insisting at least on the principle of reparations.

Outlines of American and British views indicate both governments have opposed collection of reparations from Italy because they were eager to get the Italian economy back on a sound basis.

The French views, it was learned, were these:

1. France wants a small rectification of her border with Italy, mainly on the Alpine frontier around the towns of Labriague and Tante and would like complete control over the Roya valley, on their frontier just north of the Mediterranean.

2. France disclaims any desire to annex the valley of Aosta in northern Italy, but wants guarantees either in the treaty or by joint international pledge that the French population in the area will be given home rule by Rome.

3. The French are inclined to side with the British and Americans on Trieste—to leave the city in Italian hands, but establish an international authority to assure Austria, Czechoslovakia and Yugoslavia free use of the port.

4. The French are prepared to accept the British and American plan to place the bulk of the Italian colonies under Italian trusteeship. This would remove Rome's sovereignty, but retain Rome's rule. The French view is that Italy must have an outlet for emigrants.

5. The French demand all the East African colonies known as Fezzan. It is a strategic link between Lake Chad and North Africa which belonged half to Italy before 1935.

6. The French desire border rectifications on Tunisia's inland frontier with Italian colonies, seeking certain oases which are important on the desert routes.

7. France wants restitution for goods stolen by the Italians during the war, such as locomotives and machine tools.

8. France is insistent on at least the principle of Italian reparations. The French say they are not seeking any large sum for the general war damage but that they are anxious to get a small sum as a matter of principle.

It appeared likely France would be satisfied on most of her territorial demands, although there probably will be some debate over eastern Libya and Italian Eritrea, which the British are reluctant to turn back to Italian control.

The British wish to give part of Libya to Egypt and Eritrea to Ethiopia and the Anglo-Egyptian Sudan.

Overhauling the discussion will be the problem of the Communist-controlled Balkan governments. The Soviet union seeks western recognition of the existing governments in the former Axis satellite states of Romania, Bulgaria and Hungary. Some British and Americans appear to interpret the Russian stand as indicating Moscow seeks a free rein in those countries.

Jap Claims On Hiroshima Refuted By U.S. Bomb Tests

BY HOWARD W. BLAKESLEE

Associated Press Science Editor

ALAMOGORDO, N. M., Sept. 12.

Secret details of Japanese scientific investigations released here today refute enemy radio reports the atomic bomb area of Hiroshima had become unfit for human habitation.

Disclosed by Maj. Gen. Leslie R. Groves, head of the atomic bomb project, these reports declared 11 days after the bomb fell Hiroshima apparently was safe from dangerous rays. The reports said at any

point beneath the impact of the explosion there was less than a tolerance dose of X-rays coming from the ground or air.

This amount means, Gen. Groves said, it is safe for anyone to live in that area permanently.

The general issued the Japanese reports in connection with a visit to the site of the first atomic bomb explosion about 60 miles north of here. He led a party of 31 writers and photographers, five scientists and a dozen army officers into the bomb crater last Sunday.

This was the first public revelation of details of the atomic damage to the ground itself. The things seen there and the story of X-rays told by instruments carried into the crater showed definitely why Hiroshima and Nagasaki are not ruined for human habitation.

This New Mexico bomb was nearly as big and, for ray-making, just as terrific as the Hiroshima and Nagasaki bombs. It was exploded only 100 feet from the ground, where it melted the top soil for a quarter mile all around and by transmutation filled this layer with X-rays and other less dangerous forms of atomic rays.

Both Japanese bombs were exploded at much greater heights.

When Groves led the party into the New Mexico crater the boiled earth there still was emitting X-rays. But less than two months after the explosion, these rays had died down so much that half an hour's stay was safe.

The crater, a saucer nearly half a mile wide, was an almost unbroken expanse of jade and turquoise colored glass, formed by the intense heat that melted the earth. At the center of the crater was a bowl, 300 feet across.

Equally amazing was the form of the crater. The solid earth had been forced down, as if pressed by a gigantic mold.

Pressure Amount Secret

The mold was the pressure generated in the bomb. The amount of this pressure is a secret, except for an approximate figure given in the official British report. The British said the pressure was millions of times greater than one atmosphere, which is 14½ pounds a square inch at sea level. The heat which boiled the earth is also a secret.

Within the center members of the party picked up pieces of the colored glass. Some were a quarter of an inch thick, others so thin that they crumbled at a touch.

In the center of the crater, where most of the glass had been blown out, there were much thicker pieces. There were melted pieces of iron, bricks which crumbled at a touch, and occasional glass of a red color—due to iron contamination.

Each souvenir was carried to the scientists who had X-ray meters. The souvenir was held close to the meter and a dial reading showed whether the object was safe or whether it still had too much X-rays. Most of the objects were safe, by the meter, but the party was warned not to carry them in bare hands and not to use pieces for desk weights for a month or two until the rays weakened.

The crater is safe now for brief visiting.

Plant Aide Resigns

CLEVELAND, Sept. 12.—C. J. Perrier, regional director of the Smaller War Plants Corp. and SWPC executive since May, 1943, yesterday announced his resignation effective Oct. 1.

PW's Aid Red Cross

COLUMBUS, Sept. 12.—German prisoners of war, who receive 80 cents a day for their work, contributed more than \$150,000 to the Red Cross in the army's four-state Fifth Service command. The money goes to aid European civilians.

Columbiana County Fair Opens Today With Record Crowd

Despite chilly weather, people thronged into the Lisbon fairgrounds early today for the first day's program in the four-day 100th anniversary of Columbiana County Fair.

Today's program includes horse racing, which began at 1:30 this afternoon and a grand exhibition of cattle and horses in front of the grandstand at 7 tonight. A stage show and trained-horse act will follow the cattle and the anniversary parade.

Fireworks, carrying out a patriotic theme, will be viewed at 10 p. m.

Harness racing is scheduled at 1:30 each day, excluding Friday, which is to be set aside at 4-H Club day and Junior Fair day.

Exhibits Placed

Yesterday officially opened the fair, but the first day was given over to placing of booths, cattle entries, etc.

The county court house will be closed today and Thursday afternoons during the fair, officials announced.

4-H clubs are arranging a collection of booths and several county granges already have set up their booths. A variety of merchant booths are placed and various farm exhibits are established.

From all indications the fair is expected to be the largest in the 100-year history of the event, Secretary J. Howard Sinclair, said today.

Mrs. Jay Moore, vice chairman of the Columbiana county chapter of the Red Cross said the organization has arranged a Red Cross booth displaying the various projects handled by the group during the war.

Miss Lillian Schroeder, executive secretary of the County Health League, has arranged for showing of a series of moving pictures pertaining to health controls and correction.

14 DIE IN CRASH OF NAVY PLANE

One Of Crew 'Chutes To Safety When Plane Catches Fire

(By Associated Press)

MIAMI, Fla., Sept. 12.—Fourteen Navy men died today in the crash of a big, four-engine Privateer which, with one engine afire, was being guided to cleared runways by radio.

One man escaped by leaping with his parachute.

The man who jumped was W. J. DeRoche (address unavailable immediately), aviation ordnance man, who attempted to rescue his comrades but was driven away by flames and exploding ammunition.

Naval authorities gave this description of the tragedy:

The big plane with 14 men aboard took off from the naval air station on a regular training flight and as it gained the air observers in the control tower said that its No. 3 engine was afire.

"Your engine is afire," the pilot was told by radio. "You will land immediately on any runway. All runways are being cleared for you."

Every plane in the vicinity was ordered out of the way of the distressed craft as the pilot acknowledged the message and began to turn back toward the field.

The aircraft dived and made a normal three-engine approach. At about 500 feet, with smoke getting into the cabin, one man was ordered to parachute to safety. No one else left the plane," the navy reported.

The aircraft suddenly dived, crashed and exploded. There were no other survivors. Names of the dead will be released after next of kin have been notified.

A Navy board of inquiry which went to the scene arrived in time to see some of the bodies removed.

Boyington Feted By His Old Gang

OAKLAND, Calif., Sept. 12.—"Pappy" Boyington is back with his black sheep squadron gang again.

The swashbuckling 26-plane Marine ace had no sooner landed at the Oakland airport, this morning, than he was grabbed by 18 of his buddies and paraded on their shoulders around the runway.

It was Gregory Boyington, 32, an almost legendary figure from the early days of the aerial warfare in the Southwest Pacific, that people wanted to see.

"Pappy's" face broke into a broad grin as he poked his head from the door of his plane and saw the men with whom he made aerial history.

"This is the most wonderful thing that has happened to me," he shouted.

The Okanagan, Wash., flier wore fire-furled leather jacket, Marine green twill pants and the silver leaves of a lieutenant colonel on his cap. His promotion from major followed his release from the Omori prison camp near Yokohama Aug. 30.

Crossing Accident Derails Flyer, 14 Passengers Hurt

(By Associated Press)

TIRO, O., Sept. 12.—The Pennsylvania railroad's Washington-to-Detroit "Red Arrow" struck a stalled automobile here today and derailed the locomotive and seven cars. At least 14 persons were injured.

The second section of the west-bound passenger struck the auto-

mobile at a crossing but the owner had left the machine and escaped injury. He blamed a chukhole in the pavement for stalling the car.

A section of rail punctured the locomotive boiler and escaping steam scalded a number of persons but the boiler did not explode as first reported.

The train, west bound, was wrecked at 6:50 a. m. (Central War Time) in this Crawford county community.

The engine overturned into a ditch. The cars which derailed remained upright. Two sleepers stayed on the tracks.

The stalled automobile was owned by Floyd Fisher of nearby New Washington.

The Injured

Six injured were taken to Shelby Memorial hospital at Shelby. They were:

Mrs. William R. Trimam, Johnstown, Pa.

Mrs. Leola Robinson, Corona, N. Y.

C. R. Boerst, Toledo, O., the fireman.

C. E. Snyder, Toledo, O., the engineer.

K. S. Abbott, Mansfield, O., railroad mail clerk, who lost a finger.

W. N. Pitts, New York City, dining car cook.

The train was in charge of C. J. Meyers, of Mansfield, O., who was not injured.

Four other persons, injured but not seriously, were removed to a hospital in Bucyrus.

They were Mrs. Janita Selby, 26; her mother, Mrs. Anna Jones, 55; Mrs. Mildred Jones, 25, all of Jackson, Mich., and James G. Ball, 63, of Montgomery, Ala.

The Rhodes marching unit is rated among the top three bands in Cleveland and its appearance here will mark the first time in four years that a band of that size has appeared at Reilly stadium.

Baby Kidnap Faces Sanity Examination

MARION, Sept. 12.—Mrs. Phyllis Ann Webster, charged with stealing baby Jean Eileen Creviston six weeks ago, will be given a second mental examination, Judge Paul D. Smith has ruled.

The court's ruling, made at the request of defense attorneys, provides for an examination by two alienists, Dr. George Harding of Worthington and Dr. J. F. Bateman of the Columbus State hospital, within the next week.

Mrs. Webster recently was declared sane after a 30-day observation at the Lima State hospital for the criminally insane.

Her trial is set for Sept. 25 in the common pleas court here.

Will Inspect Potteries

EAST LIVERPOOL, Sept. 12.—District pottery manufacturers will entertain 200 members of the Pittsburgh section of the American Ceramic society here Friday, when they will inspect three major plants.

National and district officers will accompany the visitors to the Hall China Co. plant here, and the Homer Laughlin and Edwin M. Knowles China companies factories in Newell.

FORMER NAZI ADE NABBED IN ROUND-UP

Tojo Now Expected to Live Following New Blood Transfusions

(By Associated Press)

TOKYO, Sept. 12.—American occupation authorities tonight pressed the roundup of 47 Japanese war leaders and renegade Occidentals as a gift of blood from a Pennsylvania sergeant probably saved the life of Hideki Tojo, principal architect of the Pearl Harbor assault.

General MacArthur, extending his list of "wanted" men to include seven of the notorious Black Dragon society's top terrorists, ordered dissolution of that jingoistic secret organization, which the Japanese claimed had disbanded more than a month ago.

While the roundup bag increased, one of the most badly wanted,

SAN FRANCISCO, Sept. 12.—Field Marshal Gen. Sugiyama, former war minister, committed suicide today, the Tokyo radio said.

Gen. Masaharu Homma, who sanctioned the murderous Death March of Bataan, fled to his island home off the northwest coast.

One of those caught, however, was Heinrich George Stahmer, German ambassador held chiefly responsible for bringing Japan into the Rome-Berlin axis.

Aided Von Ribbentrop

Stahmer came to Tokyo in 1940 as a special envoy on the Axis deal, was rewarded by being named Hitler's envoy to the Nanking puppet government, and then became ambassador to Tokyo. He was a personal assistant to Nazi Foreign Minister Joachim Von Ribbentrop.

Tojo, who attempted suicide yesterday, admittedly to escape trial as the main Japanese war criminal, but who missed his heart with a bullet from a pistol taken from a downed American flier, rallied strongly tonight after the transfusion of B-type whole blood and injection of penicillin.

Doctors, who had said he had a better-than-even chance to live, declared his condition now was "very satisfactory." Tojo himself was strong enough to thank them and to tell a Japanese government representative, T. Sugiki, who visited him at the American evacuation hospital in Yokohama, that he appreciated the care he was getting.

The blood donation came from Sgt. John A. Archbold, a veteran of New Guinea and the Philippines, who said, "I'm doing this so he can get his just dues and suffer for the 17 months he made me spend in New Guinea."

General MacArthur's personal physician, Col. Roger Egeberg, South Euclid, Ohio, rushed to Tojo's bedside to join in the fight for his life.

Nurses On Job

Eichelberger said Tojo shot himself with a U. S. army air corps pilot's pistol.

Four nurses arrived from the 42nd General hospital, University of Maryland unit, Lieut. Rebecca Schmidt, Long Green, Md., remarked: "I didn't think we would come to this, after 40 months overseas."

Tojo said he fired his pistol shot yesterday as American war-crimes investigators pounded at his door because he "did not want to stand before the victor to be tried." Yet trial seemed certainly in store for him and many of his henchmen, including the Pearl Harbor cabinet.

First to be detained of the 39 other General MacArthur had ordered held were Jorge Vargas, puppet Philippines ambassador to Japan; Mark Lewis Streeter, American captured at Wake Island by the Japanese and charged with later making propaganda broadcasts for them from a prison camp, and Col. Josef Alfred Meisinger, police attache at the German embassy.

Conventions, Similar Rallies To Be Allowed

WASHINGTON, Sept. 12.—Conventions, group meetings and trade shows go off the restricted list Oct. 1.

The office of Defense Transportation banned such gatherings last Feb. 1 to reduce travel and ease hotel crowding. Since then it had loosened the rules to permit state meetings of any size and out-of-state attendance up to 150. The new order announced yesterday lifts all restrictions.

ODT Director J. Monroe Johnson asked, however, that the public still stifle that urge to travel until after peak troop movements have been accomplished early next year.

Taxation Arithmetic

There will be, inevitably, more talk than action about tax reduction. Every congressman who intends to run for re-election next year will promise his constituents lower taxes and higher benefits, the classic formula for winning votes.

Taxation arithmetic, fortunately, is relatively simple. First, there will be no change in taxes for the current year. Whatever important changes are made, if any, will not mean anything to taxpayers until 1946 and, in some cases, not until 1947.

Second, any tax reduction voted by Congress will be at the expense of the public debt, which now has passed 260 billion dollars and is costing taxpayers more to carry than they used to pay for the government's entire operation.

There is no way, in other words, to conceal the fact that two costly wars and a policy of deficit financing have given the country a financial burden that is a vastly more important problem than any of its more popular problems, such as who is going to get how much for how long from the federal treasury. If federal expenditures from last July 1 to next July 1 (the current fiscal year) are half as much as they would have been if war had continued and if federal income could have been maintained at the war boom level, the United States barely would be operating in the black.

It will be politically popular from now on to talk about tax reduction, but \$10 against an old income tax form it will not be popular to talk about the deficit and the debt that are the other side of the subject.

Tojo Over-rated Himself

The stroke of newspaper enterprise which gave Clark Lee of International News Service Hideo Tojo's admission that he accepts full responsibility for the war may add confusion to a jumbled picture. Tojo didn't start the war, and he didn't fight it.

As premier of Japan on Dec. 7, 1941, and the symbol of its military ambitions, Tojo shared the notoriety of Hitler and Mussolini at the outset of the war with the United States. But it has been made plain since then that Hitler and Mussolini were not personally responsible for the war. Tojo over-rates himself.

Like the other Axis leaders, he was merely the head of a military regime with deliberate and malicious plans for international war. He was the grotesque reflection of Japan's warped convictions about its destiny. As an individual, he was harmless. As the head of a conspiracy, he was lethal. He had no power and no influence other than that bestowed on him by the militant minority which had been organizing itself for at least a generation to run berserk in the Orient.

Perhaps Tojo believed that by assuming personal responsibility he could conceal the extent of Japan's guilt for the shambles it precipitated as a member of the Axis.

Verdict: Guilty

The 10 bullets with which Norway will repay Vidkun Quisling for his wartime services, unless the death sentence delivered on him is commuted, will speak for more than Norwegians.

Quisling and Pierre Laval, the French traitor, were the most notorious of the betrayers in Europe during World War II—and the greatest traitor was Quisling. He, unlike Laval, was the recipient of great confidence by his countrymen. Due largely to his treason, Norway fell to the Germans without even a chance to fight for its honor—without even the privilege of knowing that its safety was in jeopardy. Quisling's name will be immortalized as a synonym for traitors. His crime was not alone against Norway and the Norwegians, but against all human beings who put their trust in false friends and unworthy officials. He violated vastly more than the principles of nationalism; he sinned against the ethics of civilization. Without confidence in those who seem to deserve it, there could be no civilization.

Vidkun Quisling sold his honor, his friends, his society, his nation and finally his life for the favor of the international gangsters who destroyed Germany and tried to destroy the world. The firing squad that awaits him can redeem nothing of what was lost, but it may warn other potential betrayers that treachery is the riskiest path to power.

\$20,000 Is A Competency

The political circumstances are now favorable for Congress to increase its salary level from \$10,000 to \$20,000 recommended by President Truman in his recent message on legislative recommendations.

A 100 percent increase in pay will not bring about a 100 percent or even a 10 percent increase in congressional quality, but over the years it should have the good effect of eliminating a touchy point of dissent to the proposition that the American people deserve better federal lawmakers than they frequently are able to obtain.

That is the point that in competition for quality it is impossible to attract the ablest potentialities for Congress for \$10,000. While \$20,000 is still peanuts compared with the earning power of outstanding men in private enterprise, it is a competency. At least it is enough to keep even the Washington wolf from the door with reasonable caution. It will cancel the standing objection to the \$10,000 level.

It also will be the beginning of a general boost for government salaries. This will cause a great outcry among taxpayers, but the fact is most taxpayers stand more than half-converted in their own minds that it is time to see what would happen if the salaries of top government officials were adjusted

upward in proportion to the growing importance of government influence.

The Importance of Food

The great drought which reduced Ohio's late crops turn thoughts of the people to the importance of food which is the major interest of much of the world.

Ohio will have enough to eat and the dry weather means only slight curtailment in the abundance with which the people of this state and nation are blessed. Hunger is the heritage of many of the peoples of the orient. Now it is a vital threat to many of the peoples of Europe.

Ailing crops on Ohio's fertile countryside make us more aware of the lands where there are no crops at all and where the population cries out for a little share of the ample stores which we still possess. Nature has made us a little more aware of our kinship with all humanity and of the responsibility which the blessings of a fruitful land place upon us.

The Stars Say

For Thursday, September 13

A CLEAR grasp of exceptional chances to make definite and concrete advance upon high goals, with possibly bold and daring strokes, either in well-studied strategies or sharp insight into undercurrents, subtle circumstances or complications, is read from the dominant astral aspects.

Cooperation and tactful understandings with large corporations, secret societies, political or diplomatic bodies, assure surprising progress and dramatic success. In all, be alert to craft, intrigue, fraud or treachery, especially in the handling of papers, writings, or documents. Sign all cautiously.

Those whose birthday it is may enjoy a year of exceptional profits or advancement, largely by means of bold and audacious coups, backed up by a keen insight into underlying factors, possibly in connection with large institutions or corporations, financial, diplomatic or political, or in some business where secrecy, stratagem and intrigue are of more value than open and above-board tactics.

In this there may be danger of involvement in dubious or tricky affiliations in which shrewd and profound grasp may avert fraud, duplicity and loss. Sign all writings and documents cautiously, make changes and agreements with an eye to security and honorable dealings.

O. E. S. At Hanoverton Plans Thursday Event

Pleasant Valley chapter, Order of the Eastern Star, Hanoverton, will observe Past Matrons and Past Patrons night at a meeting at 7:30 p. m. Thursday. An obligation service will be included.

Bowel Cleaning Power Of Erb-Help Medicine

One man recently took ERB-HELP three days and said afterward that he never would have believed his body contained so much filthy substance. He says his stomach, intestines, bowels and whole system were so thoroughly cleansed that his constant headaches came to end, several pimply skin eruptions on his face dried up overnight, and even the rheumatic pains in his knee disappeared. At present he is an altogether different man, feeling fine in every way.

ERB-HELP contains 12 Great Herbs; they cleanse bowels, clear gas from stomach, act on sluggish liver and kidneys. Miserable people soon feel different all over. So don't go on suffering. Get ERB-HELP! Lease Drug Stores.

Home Heads Speakers At Club Meeting

Mr. and Mrs. Byron Saffel, superintendent and matron of the Fairmount Children's home, were guests of the Progressive Mothers club at a meeting last evening at the home of Mrs. Myron Riegel on N. Union ave.

The Saffels, who have been at the home for three years, told in an interesting way of the daily routine, feeding, clothing, medical care, and the religious and social life of the 87 children who are under their supervision. A discussion period followed.

Refreshments were served by the hosts.

A meeting on Sept. 25 will be at the home of Mrs. A. M. Chandler on W. Tenth st. The topic, "Those Interesting In-Betweens," will be in charge of Mrs. Richard Wilson.

Thelma Hawkins Bride Of Donald Adams

Miss Thelma Hawkins and Donald Adams were married at 4 p. m. Saturday at the home of the bride's parents, Mr. and Mrs. John Hawkins in New Waterford. Rev. C. A. Richardson, pastor of the First Fairfield Methodist church, officiated, assisted by Richard Hawkins, a cousin of the bride.

The nuptial mass was given by Miss Evelyn Schmidt, soloist, accompanied by Mrs. C. A. Schmidt. Mrs. Dwaln Hawkins of Youngstown was matron of honor and Dean Adams served his brother as best man.

Mrs. Adams is a graduate of New Waterford High school and Youngstown Secretarial college and is employed in the New Waterford Savings bank. Mr. Adams attended Lisbon High school and is engaged in farming.

After a wedding trip the couple will reside at 754 Lincoln Way, Lisbon.

Loyal Women's Class Enjoys Program

Mrs. Margaret Hannay and her committee were in charge of the program at a meeting of the Loyal Women's class of the Christian church last night in the church.

Mrs. Ralph Housel sang a solo and played her own accompaniment and Mrs. James Lyle contributed a reading. A vocal duet was offered by Misses Lois Ann Firestone and Treva Bush, accompanied by Mrs. Minnie Bush.

Lunch was served by Mrs. Ola Shriver and her division. The next meeting will be on Oct. 9.

Miss Walters Hostess To Meadowbrook Club

A wiener roast and games helped make the hours enjoyable when members of the Meadowbrook Junior Community club gathered last night at the home of Miss Rose Marie Walters on the Stratton rd. Group singing added interest.

Plans were made to hold a meeting in the near future at the home of Miss Ruth Hollabaugh on the Ellsworth rd. with a haywagon ride a feature.

Mullins Beats Oilers 3 To 1 In Thrilling City Series Game

After Columbians Dump Jay-Teen 6-3 In Class B Title Try

Factory Men Can Now Win City Title In Game Tonight

A patched-up Mullins team, behind beautiful hurling by Marty Pauline, thrilled about 600 softball fans at Reilly stadium by taking the initial encounter in the Class A "Little World Series" from a favored Sinclair squad 3-1.

By winning the second game at 8:30 tonight at the stadium the Factory men can cap the city title.

Last night's game was give and take all the way, with some neat and tidy fielding drawing consistent hands from the crowd.

The winners were on their toes at the right time last night. Pauline turned in one of his finest games and limited the hard-hitting Oilers to just four safeties, one of which was a misjudged infield bouncer that went down in the books as a single.

The Oilers opened with the first run in the fourth inning when Gordy Scullion overthrew first base trying for a possible double play which would have pulled Pauline out of a hole. Mutt Schaeffer, who had been walked, scored from third on the overthrow, making it 1-0.

Mullins garnered two important runs in the fifth. Mutt Schaeffer passed Gus Falk and Al Catlos, who batted for Nello Balta, with none away. Alex Simon sacrificed the runners around a base and Falk made a pretty slide into home to score when Pauline was safe on a fielder's choice. The next marker came across as Catlos sauntered in on a long fly to center by Gordy Scullion.

That made it 2-1 in Mullins favor and they were never headed afterwards.

In the seventh—their last chance at scoring—Mullins got another when Wally Linder singled and went to second on Bob Umberger's error. Catcher Gene Stewart threw wide to third trying to get Linder and the run came across as the ball went into left field.

Domicetti's Catch Pretty
Hair-raising plays during the game were frequent, and Vince Domicetti's running catch of Bob "Doggie" Scullion's line smash into right field certainly saved the day for Mullins in the third frame.

Umberger and Keith Sidingler had singled and were on second and third when Scullion's well-tagged liner went left field. The speedy Mullins outfielder danced over to the line and made the life-saving put-out to retire the side. Two sure runs were cut off.

Schaeffer fielded a perfect bunt by Steve Zatzko in the fourth to save a hit. His throw to first beat Zatzko by a hair.

Nello Balta's catch at first in the initial inning was as pretty as any. He snagged a red-hot line drive by Lefty Schmidt to eliminate what everyone thought was a hit.

Schaeffer walked five men, fanned five and allowed three hits. His backers gave up a pair of misuses. Pauline dished out two walks, fanned none and allowed only four safeties. He had the Oilers popping up consistently all the way. Mullins had four errors.

Clippers Prepare For Lisbon Opener

Coach John Cabas' Columbian Clippers—noted last year for the precision and snap of a smooth-working T-formation—are at their football ways again with rising hopes for a successful 1945 season!

Cabas coached teams are built on flash and smoothness and the Clipper coach has a difficult training job ahead of him this season. Lettermen are not plentiful and those who already wear the white "C" are not all regulars from the 1944 outfit, which won eight of 10 games and placed second in the Tri-County league.

Have Aims
All-important to Columbian each year are three things: (1) to win the Tri-County title; (2) to beat Leetonia and (3) but not least important, to defeat East Palestine in the season's finale on Nov. 9.

Return Of Hackett Boosts Buck Hopes For Solid Season
(By Associated Press)
COLUMBUS, Sept. 12.—Bill Hackett, Ohio State captain and All-America guard, will be back with the squad Monday and the world is looking pretty rosy to the Bucks.

Hackett, thought lost to the team for probably the entire season because of a head injury in an auto accident last January, yesterday was pronounced fit by Team Physician Walter E. Duffee.

Hackett is scheduled to participate in all practice sessions for the Bucks' opener against Missouri here Sept. 29.

At Duffee's suggestion, the London, O. Senior returned home for a brief rest yesterday.

The Bucks' spiraling hopes following Hackett's return were prompted by the fact the Bucks' weakest on the forward wall—right where their All-America boy is strongest.

With the Missouri opener getting closer, Coach Carroll Widows yesterday stressed contact work in the morning session only to save his practice-battered squad.

With those objects in mind the 40-man squad is working hard and enthusiastically, Coach Cabas reports.

Scrimmages have been held against Rochester, Pa., and Salem so far with losses occurring both times, but a great deal of "greenness" has been done away with by virtue of those workouts.

Showing improvement each time out, the Clippers are expected to shape into a team comparable with last season's one of the best in years.

Newell Back
The backfield, which operates the technicalities of the shift T, is composed of All-County Halfback Bill Newell, Quarterback Don Kurtz, while Bob Hum, Richard Berryman and Don Lippe are vying for the other two spots.

Cabas regards Kurtz's quarterback job as the most important on the team and has been working hard with the ball-handling key-man in the T. To date the work has paid off and the exchanges are developing with the precision he is seeking.

At the ends are Harry McBride and Don Esenwein, at tackles Carl Sheets and Lee Miller, and at guards, Frank Gorcheff and Jim Mollenkopf.

Rich Reinhr is posted in the ball-passing job.

Others rating high to date are Warren Clawges, Don Rapp, Ted Truman, Jack Fitzpatrick, Ed Cope and Jim Prizant.

Saturday's Opener
The first phase in the Columbian three-point series comes up with a bang in the opening

game, Lisbon's Blue Devils are slated to visit the Firestone park stadium Saturday afternoon in the first Tri-County league game—and to win the loop, the Clippers have to take the Lisbon game.

The balance of the schedule includes three home games and four on the road. The Leetonia and East Palestine frays are away this year, but that disadvantage is expected to be overcome, the coach says.

Irish Capitalize On Six Youth Center Errors, Win

Coming back early in the game to take the lead and win the dependable Columbians managed six runs on four hits to defeat the Jay-Teen 6-3 in the first game of the Class B playoffs at Reilly stadium last night.

The victory—a result of heads-up ball by the Irish and too many errors by the Youth Center—gives the Columbians a 1-0 lead in the series and a chance to take the B loop title by winning the second game at 7:30 p. m. tonight at Reilly.

Although the Jay-Teeners led off in the first with two runs, scored on Ray Snyder's single to left field, the Irish slipped across the tying pair in their half of the frame on two walks and Paul Ritchie's error at third base.

Pitcher Lindy Bowman kept his squad in hot water through the first four frames by issuing five bases on balls. The Columbians scored four of their runs in those three frames before they collected a single hit.

Hurling creditable ball for the Columbians, Angelo Clotti walked four men, but kept the hits and walks well enough spaced to keep the Jay-Teeners scoreless in all but the first and sixth frames.

Junior Parlow crashed out the first single for the Irish in the fourth inning, but it didn't pay off at third base.

After the Jay-Teen had added a single run to their two run total, making the score 4-3 in the sixth, the Irish came to bat and put the game on a block of ice.

Oana Homers
Leonard Sobek led off with a double and John Oana's home run into the right center bleachers on the bounce made the margin.

The Youth Center lads were unable to do any good for themselves in the first of the seventh and the ball game was over.

Bowman walked five, fanned four and allowed only four hits. His mates, however, committed six costly errors.

The Irish's Clotti scattered six Jay-Teen hits, issued four walks and whiffed three batters.

Local Garage Men Adopt Apprentice Plan For Workers

The automobile dealers and service garage establishments committed to the plan.

TIPS FOR TIRED EYES

1. Hold reading matter about 14 inches from face. 2. Avoid reading in poor light. 3. After driving, exposure to dust or wind or when eyes are overworked, bathe them with Lavoptik. Quickly soothes inflamed, sore, burning, itching and granulated eyelids or mucus. Refreshes thousands praise it. 20 years success. Get Lavoptik today. At all drug stores.

tee, under the direction of W. L. Coy of Salem, has adopted apprenticeship standards for the training of automobile mechanics and auto body and fender men for Columbiana county, with the exception of East Liverpool and Wellsville, C. O. Ferguson, senior field representative of the apprentice-training service of the War Manpower Commission, announced today.

Others directing the activities of the automobile dealers and service garage establishments committee are C. O. Hawk of Lisbon, Clarence Koch of Columbiana, H. I. Hine and C. L. Zimmerman of Salem.

"The majority of the openings under this plan will be for the benefit of veterans of World War II, in order that they may withdraw the benefits due them under the G. I. Bill of Rights," Ferguson explained.

Ferguson said this plan calls for intensive training on the job and this will be supplemented by four hours per week of related information which is being made available through the cooperation of Holland Cameron of the Salem Trades class.

All veterans interested in this program should contact the veteran employment representative at the USES office in Salem.

Aviation was first used commercially in Mexico in 1924 to deliver payrolls to isolated oil camps in the Tampico district.

Poor Digestion? YES NO
Headachy? YES NO
Sour or Upset? YES NO
Tired-Listless? YES NO

Do you feel headachy and upset due to poorly digested food? To feel cheerful and happy again your food must be digested properly.

Each day, Nature must produce about two pints of a vital digestive juice to help digest your food. If Nature fails, your food may remain undigested—leaving you headachy and irritable.

Therefore, you must increase the flow of this digestive juice. Carter's Little Liver Pills increase this flow quickly—often in as little as 30 minutes. And, you're on the road to feeling better.

Don't depend on artificial aids to counteract indigestion—when Carter's Little Liver Pills aid digestion after Nature's own order. Take Carter's Little Liver Pills as directed. Get them at any drugstore. Only 25c.
